

AUDREY GIDEON

WEB DEVELOPER

+263 788 262 049

lizzyaudreygideon@gmail.com

1098 Aspindale Park Kambuzuma,
Harare(ZW)

PROFILE

Aspiring web developer with a solid foundation in HTML, CSS and JavaScript fundamentals.

I served as a volunteer Scratch instructor at Uncommon.org, where I gained hands-on experience in coding—and completed a project management course covering Agile and Waterfall methodologies, applying analytical and problem-solving skills to deliver results. I am committed to continuous learning and eager to leverage technical and project management abilities in a collaborative environment.

EXPERIENCE

Uncommon.org, Kambuzuma — *Scratch Coding Instructor*

January 2024 - PRESENT

- Teach coding fundamentals to children using the Scratch visual programming language

- Guided students through the process of building interactive games and applications

- Fostered an engaging and inclusive learning experience to spark children's interest in coding
